PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
H&E EQUIPMENT SERVICES, INC.
TO BE HELD MAY 22, 2012

This Proxy Statement sets forth certain information with respect to the accompanying proxy to be used at the Annual Meeting of Stockholders (the “Annual Meeting”) of H&E Equipment Services, Inc., or at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The Board of Directors has designated the Victory Room of the Hilton Baton Rouge Capitol Center Hotel, 201 Lafayette Street, Baton Rouge, Louisiana as the place of the Annual Meeting. The Annual Meeting will be called to order at 7:30 a.m., Central Daylight Time, on Tuesday, May 22, 2012. Only stockholders of record as of the close of business on March 26, 2012, the Record Date, are entitled to vote. The Board of Directors solicits this proxy and encourages you to read this document thoroughly and to take this opportunity to vote on the matters to be decided at the Annual Meeting. Unless the context otherwise indicates, reference to “we,” “us,” “our” or the “Company” in this Proxy Statement means H&E Equipment Services, Inc.

Under rules and regulations of the Securities and Exchange Commission (the “SEC”), instead of mailing a printed copy of our proxy materials to each stockholder of record or beneficial owner of our common stock, we are furnishing proxy materials, which include our Proxy Statement and Annual Report, to our stockholders over the Internet and providing a Notice of Internet Availability of Proxy Materials by mail. *You will not receive a printed copy of the proxy materials unless you request to receive a paper copy or an email copy of these materials in hard copy by following the instructions provided in the Notice of Internet Availability of Proxy Materials.* Instead, the Notice of Internet Availability of Proxy Materials will instruct you how you may access and review all of the important information contained in the proxy materials on the Internet. The Notice of Internet Availability of Proxy Materials also instructs you how you may submit your proxy via telephone or the Internet. This proxy procedure enables all holders of common stock, many of whom are unable to attend the Annual Meeting, to vote. If you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability of Proxy Materials.

We are mailing the Notice of Internet Availability of Proxy Materials on or about April 5, 2012 to each stockholder at the holder’s address of record. SEC rules permit us to deliver only one copy of the Notice of Internet Availability of Proxy Materials or a single set of proxy materials to multiple stockholders sharing the same address. Upon written or oral request, we will deliver separate Notices and/or copies of our 2011 Annual Report and/or this Proxy Statement to any stockholder at a shared address to which a single copy of the Notice was delivered. Stockholders may notify our Company of their requests by calling or writing our Investor Relations Department, H&E Equipment Services, Inc., 11100 Mead Road, Suite 200, Baton Rouge, Louisiana 70816; (225) 298-5200.

VOTING PROCEDURES

Your vote is very important. Your shares can only be voted at the Annual Meeting if you are present in person or represented by proxy. Whether or not you plan to attend the Annual Meeting, you are encouraged to vote by proxy to ensure that your shares will be represented. Stockholders can choose among the following methods to vote:

Via the Internet — Stockholders can vote by voting their shares via the Internet as instructed on the website identified in the Notice of Internet Availability of Proxy Materials. The Internet procedures are designed to authenticate a stockholder's identity to allow stockholders to vote their shares and confirm that their instructions have been properly recorded. Internet voting for stockholders of record is available 24 hours a day and will close at 7:00 p.m., Eastern Daylight Time, on May 21, 2012. The Notice instructs you how to access and review all important information in the Proxy Statement and Annual Report. You will then be able to request that copies of proxy materials be emailed to you or you will be directed to select a link where you will be able to vote on the proposals presented here.

By Telephone — The Notice of Internet Availability of Proxy Materials includes a toll-free number you can call to request printed copies of proxy materials. Telephone voting for stockholders of record is available 24 hours a day and will close at 7:00 p.m., Eastern Daylight Time, on May 21, 2012. The printed proxy materials include a different toll-free number that you can call for voting.

By Mail — Stockholders who receive a paper Proxy Card may elect to vote by mail by completing, signing and dating their Proxy Card and mailing it in the pre-addressed envelope that accompanies the delivery of a paper Proxy Card. Proxy Cards submitted by mail must be received prior to the Annual Meeting in order for your shares to be voted. Stockholders who hold shares beneficially in street name may vote by mail by requesting a paper Proxy Card according to the instructions contained in the Notice of Internet Availability of Proxy Materials, and then completing, signing and dating the Proxy Card provided by the brokers or other agents and mailing it in the pre-addressed envelope provided.

At the Annual Meeting — Shares held in your name as the stockholder of record may be voted by you in person at the Annual Meeting. Shares held beneficially in street name may be voted by you in person at the Annual Meeting only if you obtain a legal proxy from the broker or other agent that holds your shares giving you the right to vote the shares and you bring such proxy to the Annual Meeting.

If you vote via the Internet, by telephone or by mailing a Proxy Card, we will vote your shares as you direct. For the election of directors (Item 1), you can specify whether your shares should be voted for all, some or none of the nominees for director listed. With respect to the ratification of our Audit Committee's appointment of BDO USA, LLP as our independent registered public accounting firm (Item 2), you may vote "for" or "against" the ratification, or you may abstain from voting on the ratification. For the proposal regarding an advisory vote on Named Executive Officer compensation (Item 3), you may vote "for" or "against" the proposal, or you may abstain from voting.

You may revoke or change a previously delivered proxy at any time before the Annual Meeting by delivering another proxy with a later date, by voting again via the Internet or by telephone, or by delivering written notice of revocation of your proxy to the corporate Secretary of the Company at the Company's principal executive offices before the beginning of the Annual Meeting. You may also revoke your proxy by attending the Annual Meeting and voting in person, although attendance at the Annual Meeting will not, in and of itself, revoke a valid proxy that was previously delivered. If you hold shares through a bank or brokerage firm, you must contact that bank or brokerage firm to revoke any prior voting instructions. You may also vote in person at the Annual Meeting if you obtain a legal proxy as described above. Unless properly revoked, properly executed and delivered proxies that are received before the Annual Meeting's adjournment will be voted in accordance with the directions provided and if no directions are provided on such properly executed and delivered proxy, those shares will be voted by one of the individuals named on your proxy card as recommended by the Board of Directors, as stated in this Proxy Statement and in the Notice of Internet Availability of Proxy Materials,

[Table of Contents](#)

specifically (1) in favor of our nominees for directors; (2) in favor of the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the year ending December 31, 2012; and (3) in favor of Named Executive Officer compensation as disclosed in this Proxy Statement. If you wish to give a proxy to someone other than those named on the proxy card, you should cross out those names and insert the name(s) of the person(s), not more than three, to whom you wish to give your proxy.

Who can vote? Only stockholders of record as of the close of business on March 26, 2012, the Record Date, are entitled to vote. On that day, approximately 35,084,737 shares of common stock were outstanding and eligible to vote, and there were 184 record holders. Each share is entitled to one vote on each matter presented at the Annual Meeting. A list of stockholders eligible to vote will be available at the offices of H&E Equipment Services, Inc., 11100 Mead Road, Suite 200, Baton Rouge, Louisiana 70816 beginning May 10, 2012. Stockholders may examine this list during normal business hours for any purpose relating to the Annual Meeting by contacting the Secretary of the Company.

How does the Board recommend I vote? The Board recommends the following votes:

- **FOR** each of the Board's nominees for election (Item 1);
- **FOR** the ratification of the Audit Committee's appointment of BDO USA, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2012 (Item 2); and
- **FOR** approval of the compensation of the Company's Named Executive Officers as disclosed in this Proxy Statement (Item 3).

How are votes counted? The Annual Meeting will be held if a quorum, consisting of a majority of the outstanding shares of common stock entitled to vote, is represented at the Annual Meeting in person or by proxy. If you are a stockholder whose shares are not registered in your name and you do not vote, then your bank, broker or other holder of record may still represent your shares at the Annual Meeting for purposes of obtaining a quorum.

In the absence of your voting instructions, your bank, broker or other holder of record may not be able to vote your shares in its discretion depending on the proposal before the Annual Meeting. As a result of rules applicable to director elections after January 1, 2010, your broker may no longer vote your shares in its discretion in the election of directors; therefore, you must vote your shares if you want them to be counted in the election of directors. In addition, your broker is also not permitted to vote your shares in its discretion regarding matters related to executive compensation, including the advisory vote on executive compensation, and such broker non-votes will not be counted as shares present and entitled to be voted with respect to these proposals. However, your broker may vote your shares in its discretion on routine matters such as the ratification of the Company's independent registered public accounting firm.

Because each director nominee is elected by the affirmative vote of the holders of a plurality of the shares of common stock voted, abstentions will have no effect on the election of director nominees (Item 1). The ratification of the appointment of BDO USA, LLP (Item 2) and the approval of the advisory vote on the compensation of the Company's Named Executive Officers as disclosed in this Proxy Statement (Item 3) require the affirmative vote of a majority of the shares present in person or by proxy and entitled to vote at the Annual Meeting. Because abstentions will be included in tabulations of the votes entitled to vote for purposes of determining whether Item 2 and Item 3 have been approved, for those proposals abstentions have the same effect as negative votes. Because your vote on Item 3 is advisory, such votes will not be binding on the Board or the Company. However, the Board will review the voting results and take them into consideration when making future decisions regarding executive compensation.

Who will count the vote? The votes will be tabulated by the Company's Director of Finance, W. Scott Bozzell, the inspector of elections appointed by the Board of Directors for the Annual Meeting.

Where can I find the results of the Annual Meeting? We intend to announce preliminary voting results at the Annual Meeting and publish final results in a Current Report on Form 8-K within four business days of the Annual Meeting.

Who is soliciting this proxy? Solicitation of proxies is made on behalf of the Board of Directors of the Company. The cost of soliciting proxies, including preparing, assembling and mailing the Notice of Internet Availability of Proxy Materials, Proxy Statement, form of proxy and other soliciting materials, as well as the cost of forwarding such material to the beneficial owners of stock, will be paid by us, except for some costs associated with individual stockholders' use of the Internet or telephone. In addition to solicitation by e-proxy and/or by mail, directors, officers, regular employees and others may also, but without compensation other than their regular compensation, solicit proxies personally or by telephone or other means of electronic communication. We may reimburse brokers and others holding stock in their names or in the names of nominees for their reasonable out-of-pocket expenses in sending proxy materials to principals and beneficial owners.

What if I can't attend the Annual Meeting? If you are unable to attend the Annual Meeting in person and you intend to vote, you may vote your shares by proxy, via the Internet, by telephone or by mail by the applicable deadline.

CORPORATE GOVERNANCE

In accordance with the Delaware General Corporation Law and the Company's Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws, the Company's business, property and affairs are managed under the direction of the Board of Directors. Although the Company's non-management directors are not involved in the day-to-day operating details, they are kept informed of the Company's business through reports and materials provided to them regularly, as well as by operating, financial and other reports presented by the officers of the Company at meetings of the Board of Directors and committees of the Board of Directors.

[Table of Contents](#)

Board Leadership Structure. Gary W. Bagley serves as the Chairman of the Board and in such capacity presides over meetings of the Board. Our Chief Executive Officer (CEO) is John M. Engquist, and he manages the business and affairs of the Company under the direction of the Board. We currently separate the positions of CEO and Chairman of the Board. The Corporate Governance and Nominating Committee has reviewed this leadership structure and has determined that it is the most appropriate structure for the Company because it enables the CEO to focus on running the Company's business while the Board Chairman focuses on the Board. Mr. Engquist provides very hands-on leadership running the business on a day-to-day basis, and the Corporate Governance and Nominating Committee believes that currently it is most effective to keep the principal executive officer and Board chair positions separate.

The Board's Role in Risk Oversight. The Board as a whole has responsibility for the general oversight of risk, and the Board's committees address and report to the Board on any individual risk areas within their purview. Risk and risk management is a recurring agenda item at regular Board meetings, and the Board also discusses any specific risk topics as applicable. The Company's senior management makes presentations to the full Board as to the areas of principal risk, as well as on the processes that the Company has in place to identify, assess and report such risks.

The Board committees report to the Board on their consideration of any risks within their respective areas of focus. The Audit Committee primarily oversees risks relating to or arising from financial and disclosure controls and procedures, and accounting and other financial matters. The Company's Chief Financial Officer reports to the Audit Committee on such risks and related risk management, and the Company's internal auditors, compliance manager, and independent auditors each regularly provide reports at Audit Committee meetings. The Compensation Committee has considered whether the Company's compensation policies and practices create risks that are reasonably likely to have a material adverse effect on its business or operations. The Corporate Governance and Nominating Committee and the Finance Committee review any risks that come within their respective areas of responsibility (e.g., governance in the case of the Corporate Governance and Nominating Committee, and in the case of the Finance Committee, any extraordinary corporate transactions that such committee may consider).

Independence. The Board has determined that six of the Company's eight current directors are "independent" as defined in the applicable listing standards of the Nasdaq Stock Market LLC ("NASDAQ"), including that each such director is free of any relationship that the Board believes would interfere with his individual exercise of independent judgment. The following current directors were determined to be independent: Paul N. Arnold, Bruce C. Bruckmann, Patrick L. Edsell, Thomas J. Galligan III, Lawrence C. Karlson and John T. Sawyer. Keith Alessi, who resigned from the Board effective May 24, 2011, was determined to be independent during the period for which he was a director.

In making its determinations regarding director and director nominee independence, the Board considered, among other things:

- any material relationships with the Company, its subsidiaries or its management, aside from such director's or director nominee's service as a director;
- transactions between the Company, on the one hand, and the directors and director nominees and their respective affiliates, on the other hand;
- transactions outside the ordinary course of business between the Company and companies at which some of its directors are or have been executive officers or significant stakeholders, and the amount of any such transactions with these companies; and
- relationships among the directors and director nominees with respect to common involvement with for-profit and non-profit organizations.

Conflicts of Interest and Corporate Governance Matters. Under our Code of Conduct and Ethics for Employees, Officers and Directors of H&E Equipment Services, Inc. ("Code of Conduct"), no employee or

[Table of Contents](#)

officer may serve as a director of any outside business concern, other than on behalf of the Company, without the written approval of the President or the Chief Financial Officer of the Company. The Charter of the Corporate Governance and Nominating Committee empowers the Corporate Governance and Nominating Committee to at least once a year review the independence of the members of the Board of Directors and consider questions of conflicts of interest. The Corporate Governance and Nominating Committee will identify, analyze, and, if possible, resolve any actual and potential conflicts of interest a Board member has or may have. In connection with an actual or potential conflict of interest, the Corporate Governance and Nominating Committee may issue to such member instructions concerning the manner in which he should conduct himself, as applicable. There are no pre-determined limitations on the number of other boards of directors on which the directors of the Company may serve; however, the Board expects individual directors to use judgment in accepting other directorships and to allow sufficient time and attention to Company matters. There are no set term limits for directors, however as long as the Board is not classified, the Corporate Governance and Nominating Committee will review each director's continuation on the Board annually.

Code of Conduct. The Company is committed to ethical business practices. We have a corporate Code of Conduct that applies to all of the Company's employees and directors and includes the code of ethics for the Company's principal executive officer, principal financial officer and principal accounting officer within the meaning of the SEC regulations adopted under the Sarbanes-Oxley Act of 2002, as amended. The Company's corporate Code of Conduct can be found on the Company's Internet website at www.he-equipment.com under the heading "Corporate Code of Conduct and Ethics." Please note that none of the information on the Company's website is incorporated by reference in this Proxy Statement.

Communications with the Board of Directors. If you would like to communicate with the Company's directors, please send a letter to the following address: H&E Equipment Services, Inc., Attention: Board of Directors c/o corporate Secretary, 11100 Mead Road, Suite 200, Baton Rouge, Louisiana 70816. The Company's corporate Secretary will review each such communication and forward a copy to the Board of Directors.

Meetings of the Board of Directors and Stockholders. It is the policy of the Board to meet at least quarterly. The Board of Directors held nine meetings in 2011. In 2011, the Board also held regular executive sessions where non-management directors met without management participation.

Each incumbent director attended at least 75% of the meetings of the Board and the committees on which he served in 2011. Directors are encouraged to attend the Annual Meeting of Stockholders. All current directors attended the 2011 Annual Meeting of Stockholders.

Committees of the Board of Directors. The Board of Directors currently has four standing committees: Audit Committee, Compensation Committee, Corporate Governance and Nominating Committee and Finance Committee. Charters for the Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee can be found on the Company's website at www.he-equipment.com under the heading "Investor Relations/Corporate Governance."

Audit Committee — The Audit Committee operates under a written charter adopted by the Board of Directors, which is available on the Company's Internet website. The Audit Committee provides assistance to the Board in fulfilling its oversight responsibility to the stockholders, potential stockholders, the investment community, and others relating to (i) the integrity of the Company's financial statements and financial reporting processes; (ii) the Company's systems of internal accounting and financial controls, including internal controls over financial reporting; (iii) performance of the Company's internal auditors and independent registered public accounting firm; (iv) the independent registered public accounting firm's qualifications and independence; (v) the annual independent audit of the Company's consolidated financial statements; and (vi) the Company's compliance with ethics policies, legal policies and regulatory requirements, as applicable. In so doing, it is the responsibility of the Audit Committee to maintain free and open communication among the Audit Committee, the independent registered public accounting firm, the internal auditors and Company management. In

[Table of Contents](#)

discharging its oversight role, the Audit Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the Company and the power to retain at the expense of the Company independent outside counsel or other experts or advisers as it deems necessary to carry out its duties. A detailed list of the Audit Committee's functions is included in its charter, a copy of which can be found on the Company's Internet website. In addition, the Company has a policy that the Audit Committee will review any new transaction in which the Company and its directors, executive officers or their immediate family members are participants to determine whether a related person has a direct or indirect material interest. This policy has been communicated orally by the Board. See the "Certain Relationships and Related Transactions — Related Party Transactions" section of this Proxy Statement.

The current members of the Audit Committee are Messrs. Edsell, Galligan, Karlson and Sawyer and Mr. Sawyer is the Chair of this committee. The Board has determined in its business judgment that each member of the Audit Committee is financially literate and that Messrs. Edsell, Galligan, Karlson and Sawyer are "independent" as defined in the applicable NASDAQ listing standards and the applicable rules under the Exchange Act. In addition, the Board has determined that Messrs. Edsell and Galligan are "audit committee financial experts" as that term is defined in Item 407(d)(5) of Regulation S-K of the Exchange Act. The Audit Committee held seven meetings in 2011.

Compensation Committee — The Compensation Committee operates under a written charter adopted by the Board of Directors, which is available on the Company's Internet website. The Compensation Committee discharges the Board's responsibilities relating to the compensation of the Company's Chief Executive Officer, the Company's other executive officers and its directors. The Compensation Committee has overall responsibility for evaluating and approving executive officer and director compensation plans, policies and programs of the Company, as well as all equity-based compensation plans and policies, including the Company's 2006 Stock-Based Incentive Compensation Plan.

On an annual basis, the Compensation Committee reviews and sets the compensation of the Chief Executive Officer taking into account a variety of factors, as more fully described in the "Compensation Discussion & Analysis" section of this Proxy Statement. The Compensation Committee also sets compensation for certain other executive officers after considering recommendations provided by the Chief Executive Officer and/or the Chief Operating Officer and a variety of other factors, as more fully described in the "Compensation Discussion & Analysis" section of this Proxy Statement.

On an as-needed basis, the Compensation Committee may retain independent compensation consultants to assist the Compensation Committee in evaluating and structuring our executive compensation programs and making compensation decisions. The Compensation Committee did not retain an independent compensation consultant in 2011.

The Compensation Committee is authorized to delegate any of its responsibilities to subcommittees, as the Compensation Committee deems appropriate. To date, the Compensation Committee has not exercised this right. For additional description of the Compensation Committee's processes and procedures for consideration and determination of executive officer and director compensation, see the "Compensation Discussion & Analysis" section of this Proxy Statement.

The current members of the Compensation Committee are Messrs. Arnold, Edsell, Galligan and Karlson and Mr. Arnold is the Chair of this committee. The Board has determined in its business judgment that Messrs. Arnold, Edsell, Galligan and Karlson are "independent" as defined in the applicable NASDAQ listing standards. The members of the Compensation Committee are also non-employee directors under SEC Rule 16b-3 and outside directors under Section 162(m) of the Internal Revenue Code of 1986, as amended. The Compensation Committee met five times in 2011. For additional information on the Compensation Committee, see the "Compensation Discussion and Analysis" beginning on page 23.

Corporate Governance and Nominating Committee — The Corporate Governance and Nominating Committee operates under a written charter adopted by the Board of Directors, which is available on the Company’s Internet website. The primary functions of the Corporate Governance and Nominating Committee are (i) to assist the Board by identifying individuals qualified to become Board members and members of Board committees, to recommend to the Board the director nominees for the next annual meeting of stockholders, and to recommend to the Board nominees for each committee of the Board; (ii) to lead the Board in its annual review of the Board’s, its committees’ and management’s performance; and (iii) to review, as appropriate, the Company’s corporate governance structure and recommend any proposed changes to the Board. The Corporate Governance and Nominating Committee identifies individuals, including those properly submitted and recommended by stockholders, believed to be qualified as candidates for Board membership. The Corporate Governance and Nominating Committee has the authority to retain search firms to assist it in identifying candidates to serve as directors. In addition to any other qualifications the Corporate Governance and Nominating Committee may in its discretion deem appropriate, all director candidates should possess high personal and professional ethics, integrity and values, and should have sufficient time available to devote to service on the Board and Board committees. A majority of the Board must be comprised of independent directors. Neither the Corporate Governance and Nominating Committee nor the Board has a policy regarding consideration of diversity in selecting director candidates. In identifying and recommending director candidates, the Corporate Governance and Nominating Committee considers each individual’s specific experience and qualifications to determine that individual’s desirability and suitability for service on the Company’s Board, and also considers the qualifications and composition of the Board as whole.

The Corporate Governance and Nominating Committee considers stockholder nominees for directors in the same manner as nominees for director from other sources. Stockholder suggestions for nominees for director should be submitted to the Company’s corporate Secretary no later than the date by which stockholder proposals for action must be submitted (see “Submission of Stockholder Proposals and Director Nominations” below) and should include the following information: (a) the recommending stockholder’s name, address, telephone number and the number of shares of the Company’s common stock held by such individual or entity and (b) the recommended candidate’s biographical data, statement of qualification and written consent to nomination and to serving as a director, if elected.

The current members of the Corporate Governance and Nominating Committee are Messrs. Bruckmann, Karlson and Sawyer and Mr. Karlson is the Chair of this committee. The Board has determined in its business judgment that Messrs. Bruckmann, Karlson and Sawyer are “independent” and that Mr. Alessi was during his tenure as a director in 2011 “independent,” as defined in the applicable NASDAQ listing standards. The Corporate Governance and Nominating Committee held six meetings during 2011.

Finance Committee — The Finance Committee was established by the Board of Directors and operates under a written charter. The Finance Committee oversees and reviews any significant financial affairs and policies of the Company and oversees and monitors all material potential business and financial transactions, as well as any other duties assigned to it by the Board of Directors. The current members of the Finance Committee are Messrs. Bagley, Bruckmann, and Engquist and Mr. Bruckmann is the Chair of this Committee. The Finance Committee met three times in 2011.

SUBMISSION OF STOCKHOLDER PROPOSALS AND DIRECTOR NOMINATIONS

Under the rules of the SEC, stockholders wishing to have a proposal included in the Company’s Proxy Statement for the Annual Meeting of Stockholders to be held in 2013 must submit the proposal so that the corporate Secretary of the Company receives it no later than December 7, 2012. The SEC rules set forth standards as to what stockholder proposals are required to be included in a proxy statement. Under the Company’s Amended and Restated Bylaws, certain procedures must be followed for a stockholder to nominate persons as directors or to introduce a proposal at an annual meeting of stockholders. A stockholder wishing to

make a nomination for election to the Board of Directors or to have a proposal presented at an annual meeting of stockholders must submit written notice of such nomination or proposal so that the corporate Secretary of the Company receives it not less than that date which is 120 days prior to the one year anniversary of the date the Company's proxy statement was released to stockholders in connection with the preceding year's annual meeting of stockholders; provided, however, that in the event that the Company did not hold an annual meeting of stockholders the preceding year or if the date of the annual meeting of stockholders is changed by more than 30 days from the date of the preceding year's annual meeting of stockholders, notice by the stockholder must be delivered within a reasonable time before the Company prints and mails its proxy materials (or makes them available on the Internet) in connection with the annual meeting of stockholders. The Company's Amended and Restated Bylaws also set forth certain informational requirements for stockholders' nominations of directors and proposals.

ITEM 1 — ELECTION OF DIRECTORS

The Company's Amended and Restated Bylaws provide that the Company's business shall be managed by a Board of Directors ranging from five to nine members. The number of directors may be increased or decreased from time to time by resolution of the Board of Directors. Directors shall be elected at the annual meeting of the stockholders and each director elected shall hold office until a successor is duly elected and qualified or until his or her death, resignation or removal.

The Company's Board of Directors is currently comprised of eight members. The Corporate Governance and Nominating Committee identifies and recommends director candidates to serve on the Board. Director candidates are then nominated for election by the Board of Directors. Stockholders are also entitled to nominate director candidates for election in accordance with the procedures set forth in the Company's Amended and Restated Bylaws (see "Corporate Governance — Committees of the Board of Directors — Corporate Governance and Nominating Committee" and "Submission of Stockholder Proposals and Director Nominations" above).

In identifying and recommending director candidates to serve on the Board, the Corporate Governance and Nominating Committee considers the qualifications and composition of the Board as a whole, taking into account the totality of experience, skills and other qualifications or attributes that the individual nominees collectively bring to the Board. The Committee also considers each individual's experience, skills and other qualifications and attributes to determine that individual's suitability and desirability for service on the Company's Board. All director candidates should possess high personal and professional ethics, integrity and values, and should have sufficient time available to devote to service on the Board and Board committees. In addition, a majority of the Board must be comprised of independent directors. The experience, skills and attributes which the Corporate Governance and Nominating Committee considers include, but are not limited to, the individual's: (i) experience serving on the board of directors of a publicly traded company, (ii) independence; (iii) financial and/or audit committee experience; (iv) compensation committee experience; (v) experience with corporate transactions, such as capital-raising and other corporate finance transactions and acquisitions; (vi) experience in the Company's industry; and (vii) demonstration of overall responsibility for a company's performance, such as managing or operating a company.

At the Annual Meeting, eight directors are to be elected. All eight nominees have been recommended for election by the Corporate Governance and Nominating Committee. All nominees have consented to being named as nominees for directors of the Company and have agreed to serve if elected. If some or all of the nominees should become unavailable to serve at the time of the Annual Meeting, the shares represented by proxy will be voted for any remaining nominee(s) and any substitute nominee(s) designated by the Board of Directors. In no event, however, will the shares represented by proxy be voted for more than eight nominees. Director elections are determined by a plurality of the votes cast.

AUDIT COMMITTEE REPORT

The information contained in this report shall not be deemed to be "soliciting material" or "filed" for purposes of Section 18 of the Exchange Act or otherwise subject to liability under that Section. This report shall not be deemed "incorporated by reference" into any document filed under the Securities Act of 1933, as amended, or the Exchange Act, whether such filing occurs before or after the date hereof, regardless of any general incorporation language in such filings, except to the extent that the Company specifically incorporates it by reference.

The Audit Committee assists the Board in meeting its oversight responsibility to stockholders, potential stockholders, the investment community and others. The Audit Committee's function is one of oversight, recognizing that management is responsible for preparing the Company's financial statements, and the independent registered public accounting firm is responsible for auditing those statements. Management of the Company is responsible for (1) the preparation, presentation, and integrity of the Company's financial

statements; (2) the appropriateness of the accounting principles and reporting policies that are used by the Company; (3) establishing and maintaining adequate internal control over financial reporting, as such term is defined in the Exchange Act; and (4) maintaining adequate disclosure controls and procedures, as such term is defined by the Exchange Act. The Company's independent registered public accounting firm is responsible for (1) auditing the Company's annual consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and expressing an opinion on the conformity of those consolidated financial statements with accounting principles generally accepted in the United States of America ("GAAP"); (2) auditing and attesting to the Company's internal control over financial reporting based on criteria established in *Internal Control — Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission (the "COSO criteria"); and (3) reviewing the Company's unaudited interim condensed consolidated financial statements. The Audit Committee's primary responsibility is to oversee the Company's financial reporting process on behalf of the Board and report the results of its activities to the Board. It is not the Audit Committee's duty or responsibility to conduct auditing or accounting reviews or procedures. In performing its oversight function, the Audit Committee relies, without independent verification, on the information provided to it and on the representations made by management and the Company's independent registered public accounting firm. The Audit Committee will however take the appropriate actions to set the overall corporate "tone" for quality financial reporting, sound business risk practices, and ethical behavior.

The Audit Committee is directly responsible for the selection of the independent registered public accounting firm to be retained to audit the Company's consolidated financial statements and internal control over financial reporting, and once retained, the independent registered public accounting firm reports directly to the Audit Committee. The independent registered public accounting firm is ultimately accountable to the Audit Committee and the Board. The Audit Committee consults with and reviews recommendations made by the independent registered public accounting firm with respect to the Company's consolidated financial statements and related disclosures and internal control over financial reporting of the Company and makes recommendations to the Board as it deems appropriate from time to time. The Audit Committee is responsible for approving both audit and non-audit services to be provided by the independent registered public accounting firm. The Audit Committee is currently composed of four directors, all four of whom the Board has determined to be independent as that term is defined by applicable NASDAQ listing standards and SEC rules. The Board has determined, in accordance with applicable NASDAQ listing standards, that Messrs. Edsell and Galligan are audit committee financial experts, as defined in Item 407(d)(5) of Regulation S-K of the Exchange Act. The Audit Committee operates under a written charter adopted by the Board, which is available on the Company's Internet website at www.he-equipment.com. The Audit Committee charter is reviewed on an annual basis by the Audit Committee and is subject to amendment from time to time.

The Audit Committee meets with management periodically to consider the adequacy of the Company's internal controls, and discusses these matters with the Company's independent registered public accounting firm. The Audit Committee also discusses with senior management the Company's disclosure controls and procedures. The Audit Committee's oversight of the independent registered public accounting firm includes resolution of disagreements between management and the independent registered public accounting firm regarding financial reporting.

In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the Company's quarterly earnings releases, Quarterly Reports on Form 10-Q for the periods ended March 31, 2011, June 30, 2011 and September 30, 2011, and the audited consolidated financial statements in the Annual Report on Form 10-K for the year ended December 31, 2011 with management and the Company's independent registered public accounting firm, which included a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the consolidated financial statements.

The Audit Committee also discussed with management and the independent registered public accounting firm the Company's internal control over financial reporting. In addition, the Audit Committee discussed with

the Company's independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as amended by the Auditing Standards Board of the American Institute of Certified Public Accountants and as adopted by the Public Company Accounting Oversight Board in Rule 3200T, SEC Rule 2-07 and such other matters as are required to be discussed under auditing standards generally accepted in the United States of America. The Audit Committee received the written disclosures and the letter from the Company's independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence. In addition, the Audit Committee discussed with the independent registered public accounting firm its independence, including the compatibility of any non-audit services with the independent registered public accounting firm's independence.

The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for its 2012 audit. The Audit Committee met with the independent registered public accounting firm, with and without management present, to discuss the year 2011 results of its consolidated financial statement audit, its audit of the Company's internal controls over financial reporting and the overall quality of the Company's financial reporting. Both the Director of Internal Audit and the independent registered public accounting firm have direct access to the Audit Committee at any time on any issue of their choosing, and the Audit Committee has the same direct access to the Director of Internal Audit and the independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements for the year ended December 31, 2011 be included in the 2011 Annual Report on Form 10-K for filing with the SEC.

The Audit Committee has appointed the firm of BDO USA, LLP as independent registered public accounting firm to audit and report upon the Company's consolidated financial statements and internal control over financial reporting for the year ending December 31, 2012. In making this selection, the Audit Committee has considered whether BDO USA, LLP's provision of services other than audit services is compatible with maintaining their independence.

ITEM 2 — RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed BDO USA, LLP as the independent registered public accounting firm to audit the Company's consolidated financial statements for the year ending December 31, 2012 and internal control over financial reporting. Although action by the stockholders on this matter is not required under Delaware law or the Sarbanes-Oxley Act of 2002, as amended, or the rules of the SEC promulgated thereunder, the Audit Committee and the Board of Directors believe it is appropriate to seek stockholder ratification of this appointment in light of the role played by the independent registered public accounting firm in reporting on the Company's consolidated financial statements. Ratification requires the affirmative vote of a majority of eligible shares present at the Annual Meeting, in person or by proxy, and voting thereon. If this appointment is not ratified by the stockholders, the Audit Committee may reconsider its appointment. One or more representatives of BDO USA, LLP are expected to attend the Annual Meeting. They will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis ("CD&A") provides an overview of the Company's executive compensation program together with a description of the material factors underlying the decisions which resulted in the compensation provided to the Company's Chief Executive Officer ("CEO"), Chief Operating Officer ("COO"), Chief Financial Officer ("CFO") and certain other executive officers (collectively, the named executive officers ("NEOs")) for 2011 (as presented in the tables which follow this CD&A).

Executive Summary

The Company's executive compensation program is designed to attract, retain and motivate a team of highly qualified senior executives who will promote both the near-term and long-term interests of our shareholders, while simultaneously discouraging excessive risk-taking by the Company's management. The Company seeks to achieve these goals by compensating our executives through a combination of base salary, annual cash bonus opportunities and long-term equity incentive awards. The Company is committed to linking pay to performance on an individual and company-wide basis. As a result, the Company generally does not enter into employment, change in control or severance agreements with our senior executives and does not provide supplemental executive retirement benefits (other than NEO participation in a Company sponsored 401(k) plan and accelerated vesting of certain equity awards made to NEOs upon a change in control), which the Company generally believes to be inconsistent with a performance-oriented approach to compensation.

The Company's compensation policies and decisions during fiscal 2011 were influenced by a variety of factors, including the difficult economic environment in 2010, the achievements of the executive management team as a whole in such areas as cash management, implementing the new ERP system and upgrading the Company's workforce, and the fact that in 2010 the base salaries of the NEOs had not been increased and bonus guidelines for the NEOs had not been adopted. Based on these factors, the Compensation Committee (the "Committee") approved modest salary increases for 2011 and 2011 bonus guidelines, in each case, for the Company's CEO, COO and CFO.

Compensation Committee

The Committee is currently composed of four non-employee directors, each of whom is an independent director under the NASDAQ listing standards and the SEC rules. Messrs. Edsell and Galligan began serving on the Committee following their election to the Board in May 2011. The Committee has responsibility for determining and implementing the Company's philosophy with respect to executive compensation. Accordingly, the Committee has overall responsibility for approving and evaluating the various components of the Company's executive compensation program. The Committee meets at least twice per year (and more often as necessary) to discuss and review the compensation of the NEOs. The Committee annually reviews and approves the compensation of the CEO. The Committee also reviews and approves the compensation of the other NEOs after

[Table of Contents](#)

considering the recommendations of management. In establishing and reviewing compensation for the NEOs, the Committee considers, among other things, the financial results of the Company, recommendations of management and financial and compensation data for comparable equipment companies.

In January 2009 the Committee engaged Axiom Consulting Partners (“Axiom”), an independent compensation consultant, to provide a CEO competitive pay assessment, as well as an update to the executive pay analysis for the Company’s CEO, COO and CFO compensation that Axiom provided to the Committee in 2008. Axiom’s report (the “Report”) included market data for a peer group of companies. Although the Report was not updated and the Committee did not otherwise retain the services of an independent compensation consultant in 2011, the Committee took the Report and its historical findings into account, in a general sense, as one of the various considerations in setting 2011 compensation for the CEO, COO and CFO. In January 2012, the Committee engaged Axiom Consulting Partners (“Axiom”) to provide the Committee a better understanding of peer compensation packages and to assist the Committee in setting NEO compensation for 2012.

The Committee operates under a written charter adopted by the Board of Directors of the Company on February 17, 2012. A copy of this charter is available on our Internet website at www.he-equipment.com under the heading “Investor Relations/Corporate Governance.”

Executive Compensation Philosophy and Objectives

The Committee’s goals in structuring the Company’s compensation program for its NEOs are to:

- provide incentives to achieve Company financial objectives;
- provide long-term incentives for the executive officers; and
- set compensation levels sufficiently competitive to attract and retain high quality executives and to motivate them to contribute to the Company’s success.

The Committee has determined that to achieve these objectives, the Company’s executive compensation program should reward both individual and Company short-term and long-term performance. To this end, the Committee believes that executive compensation packages provided by the Company to its executive officers, including its NEOs, should generally include both cash and stock-based compensation. However, the Committee does not rely on any policy or formula in determining the appropriate mix of cash and equity compensation, nor does it rely on any policy or formula in allocating long-term compensation to different forms of awards.

Setting Executive Compensation

In making compensation decisions, the Committee considers the recommendations of management. The Committee also considers corporate performance, the collective performance of the executive management team, an executive’s level of experience and responsibility, an executive’s current compensation level and historical compensation practices. In addition, at times the Committee reviews market data for comparable equipment companies to get a general sense of executive compensation at the Company’s competitors.

In determining compensation for the CEO, COO and CFO in the past few years, the Committee also took into account, in a general sense, the Report, which both provided compensation data for the Company’s industry in general and for the following 13 equipment companies: AAR Corp., Ahern Rentals, Inc., CE Franklin Ltd., Finning International Inc., GATX Corporation, Kaman Corporation, Neff Corp., RSC Holdings Inc., ShawCor Ltd., Titan Machinery Inc., Toromont Industries Ltd., United Rentals, Inc. and Wajax Ltd. The Report relied upon the Mercer 2007 Executive Compensation Survey, the Wyatt 2007/2008 Survey Report on Top Management Compensation and the update on CEO compensation reflected updated surveys from Mercer, Watson Wyatt and ERI for industry data. The Committee did not use this data, and does not attempt, to establish or maintain a specific percentile with respect to peer group companies in determining compensation for the CEO, COO and CFO. However, the Committee does periodically review information regarding compensation trends and levels from a variety of sources in making compensation decisions.

[Table of Contents](#)

Although the advisory shareholder vote on executive compensation is non-binding, the Committee also considered, and will continue to consider, the outcome of the vote when making compensation decisions for the NEOs. At the 2011 Annual Meeting of Stockholders held on May 24, 2011, approximately 99.0% of the Shareholders who were eligible to vote on the “say on pay” proposal approved the compensation of our NEOs, while approximately 0.9% voted against such approval and approximately 0.1% abstained. The Committee believes that results of the say on pay vote constitute compelling evidence of strong stockholder support of the Company’s existing compensation philosophy and objectives and the Committee’s actions and decisions with respect to NEO compensation.

Committee Processes; Role of Executives in Setting Compensation

A complete description of the Committee’s processes and the role of executives in setting compensation can be found earlier in this Proxy Statement in the section entitled “Corporate Governance — Committees of the Board of Directors — Compensation Committee.”

2011 Executive Compensation Components

The Company’s executive compensation program is composed of three principal components:

- base salary;
- cash bonuses; and
- long-term incentives, consisting of equity awards.

In making decisions with respect to any element of an NEO’s compensation, the Committee considers the total current compensation that such NEO may be awarded and any previously granted unvested equity awards. The Committee’s goal is to award compensation that is reasonable in relation to the Company’s compensation philosophy and objectives when all elements of potential compensation are considered.

None of the NEOs currently has an employment contract or had an employment contract in effect during 2011. The Company generally does not employ senior executives pursuant to employment agreements.

Base Salaries

In General. The Company provides NEOs with base salaries as a component of total compensation to compensate them for services rendered during the fiscal year. In determining base salaries, the Committee takes into account several factors, including:

- historical information regarding compensation previously paid to NEOs;
- the individual executive’s experience and level of responsibility; and
- the performance of the Company and the executive management team.

In addition, at times the Committee considers base salaries paid by comparable equipment companies. The Committee uses peer group data in a general sense to gauge the range of base salary levels of executive officers of such peer group companies in order to confirm the reasonableness of the base salaries of the Company’s CEO, COO and CFO and does not engage in benchmarking.

In the absence of a promotion or special circumstances, the Committee reviews and approves executive salaries once annually.

[Table of Contents](#)

Consideration of 2011 Base Salaries. The Committee considered the following factors in setting the NEOs' base salaries for 2011: the difficult economic environment during 2010; the NEOs' individual experience, level of responsibility and performance as part of the Company's senior management team, including in the areas of cash management, implementing the new ERP system and upgrading the company's workforce; the fact that the NEOs' base salaries had not been increased in 2010; the recommendations of management; and the other factors discussed above. Based on these factors, the Committee approved modest increases in base salary for 2011 for Mr. Engquist, Ms. Magee and Mr. Barber and determined that the base salaries for Mr. Jones and Mr. Fox for 2011 would remain at 2010 levels. The following table sets forth the NEOs' base salaries for 2011 and compares them with the NEOs' base salaries for 2010:

<u>Executive</u>	<u>2011 Base Salary</u>	<u>As Compared to 2010 Base Salary</u>
John M. Engquist	\$725,000	\$25,000, or 3.6%, increase from \$700,000
Leslie S. Magee	\$340,000	\$15,000, or 4.6%, increase from \$325,000
Bradley W. Barber	\$390,000	\$15,000, or 4%, increase from \$375,000
John D. Jones	\$200,000	No increase from \$200,000
William W Fox	\$175,000	No increase from \$175,000

At its November 21, 2011 meeting, the Committee discussed the collective performance of the executive management team in a continued difficult economic environment and agreed that a modest salary increase would be appropriate for 2012. At its meeting on January 24, 2012, the Committee approved an approximately 3% increase in base salary for 2012 for each of Mr. Engquist, Ms. Magee and Mr. Barber.

Annual Bonuses

In General. Annual cash bonuses are included as part of the executive compensation program because the Committee believes that a significant portion of each NEO's compensation should be contingent on the annual performance of the Company, as well as the collective performance of the executive management team. The Committee believes that this structure is appropriate because it aligns the interests of management and stockholders by rewarding executives for strong annual performance by the Company.

The CEO, COO and CFO are eligible for an annual bonus payable at the discretion of the Committee. In determining bonuses, the Committee typically takes into account bonus guidelines that are determined by the Committee in consultation with the CEO and other members of management. The guidelines, if adopted, are based on the Company's achievement of financial targets. The Committee reviews and approves these guidelines after discussion and in consultation with the CEO. Actual bonus amounts may differ from those provided under the guidelines since the Committee and CEO retain full discretion in determining bonuses. The other NEOs, Messrs. Fox and Jones, are also generally eligible for annual bonuses at the discretion of the Committee, the CEO and the COO.

After the close of a fiscal year, the Committee generally determines and approves the amount of the annual bonus earned by each NEO for such fiscal year. The bonus is typically paid in February or March following the fiscal year to which the annual bonus relates. At the discretion of the of the Committee, a portion of the bonus may be deferred, which deferred portion generally will be paid in two equal annual installments over the following two years and accrue interest at the Prime rate, which is reset annually each January 1st to the rate then in effect. No portion of the annual bonuses paid to the NEOs with respect to fiscal years 2010 or 2011 was deferred. There is no provision for the adjustment or recovery of a bonus paid to an NEO if the results in a previous year are subsequently restated or adjusted in a manner that would have originally resulted in a smaller or larger bonus. However, the annual cash bonus is not finalized and paid until after the completion of the annual audit of the Company's consolidated financial statements by the Company's independent registered public accounting firm for the applicable fiscal year.

Consideration of 2011 Annual Bonus. For fiscal year 2011, the Committee approved bonus guidelines for the CEO, COO and CFO based on the Company's achievement of specified threshold and target levels of earnings before interest, taxes, depreciation and amortization (EBITDA) and return on gross net assets (ROGNA). For the Committee's purposes, ROGNA is defined as income (loss) from continuing operations before interest, taxes, depreciation and amortization adjusted for non-recurring items (or Adjusted EBITDA) divided by the sum of the average of gross rental equipment, gross property and equipment and net working capital. These financial objectives have been determined by the Committee to be the appropriate metrics to use for the 2011 bonus guidelines because EBITDA is familiar to and targeted by the executive management team and because ROGNA is a metric that demonstrates management's efficiency at managing assets and costs to generate earnings. These financial objectives are also consistent with the Committee's compensation philosophy of linking executive performance to the Company's financial performance.

Under the 2011 bonus guidelines, separate bonus amounts were calculated based on actual EBITDA and ROGNA levels, as compared to target EBITDA and ROGNA levels approved by the Committee. The bonus ranges based on EBITDA were given a weight of 60% and the bonus ranges based on ROGNA were given a weight of 40% in determining the recommended bonus amount. The Committee believes the relative weight was appropriate to motivate management to achieve EBITDA at or above the budgeted level, while at the same time managing Company assets. Bonus amounts are calculated as a percentage of base salary and increase incrementally based on increases in EBITDA and ROGNA as compared to the target EBITDA and ROGNA levels.

Under the 2011 guidelines, Mr. Engquist had a target bonus of 37.5% of his base salary and a maximum bonus potential of 50% of his base salary, while Ms. Magee and Mr. Barber had target bonuses of 25% of their base salaries and maximum bonus potentials of 40% of their respective base salaries. The Committee felt that these bonus ranges were set at a level that appropriately reflected the soft economy. The target EBITDA level was equal to the amount budgeted by the Company for 2011 and the target ROGNA level was slightly higher than the amount budgeted by the Company for 2011. A minimum ROGNA threshold below which no bonus (whether based on EBITDA or ROGNA) would be awarded was set high relative to the amount budgeted by the Company for 2011 to reflect the importance of the NEOs' continued management of Company assets. The Company does not publicly disclose specific internal income or operation objectives due to the competitive nature of its industry. In addition, specific targets under the management incentive guidelines are not disclosed because (i) the Committee has discretion with respect to the guidelines and (ii) such disclosure would signal where the Company places its strategic focus and would impair the Company's ability to gain a competitive advantage from its business plan.

Based on the Company's actual ROGNA and EBITDA for fiscal 2011, the Committee determined that Messrs. Engquist and Barber and Ms. Magee were entitled to their maximum bonus potentials. As a result, the Committee approved a bonus of \$362,500 for Mr. Engquist, or 50% of his base salary, and bonuses of \$136,000 and \$156,000 for Ms. Magee and Mr. Barber, respectively, or 40% of their respective base salaries. The Committee determined that the bonus amounts for Messrs. Engquist and Barber and Ms. Magee were appropriate in light of the Company's overall performance and in consideration of each executive's contributions to this performance.

Messrs. Jones and Fox were not evaluated pursuant to the guidelines described above. Mr. Jones has responsibility over product support and as such the Committee determined that his bonus should not be evaluated on Company-wide criteria. Pursuant to this practice, the COO recommended to the CEO that the bonus amount for Mr. Jones be based on his subjective assessment of the performance of the group within Mr. Jones' area of responsibility. Based on the recommendation of the CEO in consultation with the COO, the Committee approved a discretionary bonus to Mr. Jones for 2011 of \$15,000, or approximately 7.5% of his base salary. No portion of Mr. Jones' bonus was deferred.

[Table of Contents](#)

The Committee has continued the historical practice of treating Mr. Fox consistent with other divisional managers for bonus purposes. Pursuant to this practice, the COO recommended to the CEO that the bonus amount for Mr. Fox be based on his subjective assessment of the performance of the group within Mr. Fox's area of responsibility. Based on the recommendation of the CEO in consultation with the COO, the Committee approved a discretionary bonus to Mr. Fox for 2011 of \$25,000, or approximately 14.3% of his base salary. No portion of Mr. Fox's bonus was deferred.

Long-Term Incentives

In General. The Committee believes that NEOs should be compensated in part with equity interests in the Company in order to more closely align the long-term interests of stockholders and executives. The Committee also believes that equity awards are an important means of attracting and retaining qualified executives. Accordingly, the Committee provides long-term incentives by means of periodic grants of stock awards under the Company's 2006 Stock-Based Incentive Compensation Plan (the "Incentive Plan"). Stock awards available under the Incentive Plan include restricted stock, stock options and deferred stock.

The Committee determines the size of long-term incentive awards in its discretion and based on a determined percentage of each NEO's base salary, and makes awards that have a fair market value on the date of grant that approximates such dollar amount. Below are guidelines the Committee used for maximum possible stock option and restricted stock grants in 2011, each with a three-year vesting schedule:

<u>Recipient</u>	<u>Stock Options</u>	<u>Restricted Stock Awards</u>
CEO	Stock options with the fair value of up to a maximum of 125% base salary	Shares of restricted stock with the fair value of up to a maximum of 47.5% base salary
COO	Stock options with the fair value of up to a maximum of 100% base salary	Shares of restricted stock with the fair value of up to a maximum of 38% base salary
CFO	Stock options with the fair value of up to a maximum of 100% base salary	Shares of restricted stock with the fair value of up to a maximum of 38% base salary
Other members of management	Stock options with the fair value of up to a maximum of 50% base salary	Shares of restricted stock with the fair value of up to a maximum of 19% base salary

All grants of equity compensation to NEOs are made by the Committee. Whether grants are made and the type and size of any grants are based upon Company performance, performance of the executive management team, position held, years of service, level of experience and potential of future contribution to the Company's success, as well as the guidelines discussed above. The Committee may also consider long-term incentive grants previously awarded to the NEOs, long-term incentive grants given to other executive officers throughout the Company's history and grant practices at comparable equipment companies.

2011 Equity Grants. On July 1, 2011, in connection with awards made to Company management under the Incentive Plan, the Committee approved grants of restricted stock as follows: Mr. Engquist — 22,392 shares; Mr. Barber — 8030 shares; Ms. Magee — 7,001 shares; Mr. Jones — 2,059 shares; and Mr. Fox — 1,802 shares. When awarding grants to the CEO, COO and CFO the Committee considered a variety of factors, such as the performance of the executive management team and management's leadership during tough economic times, which substantially strengthened the Company's liquidity and balance sheet. The Committee felt that equity incentive awards are an important and desirable component of executive compensation in order to more closely align the long-term interests of stockholders and executives. When awarding grants to the NEOs other than the CEO, the Committee also considered the CEO's recommendations.

The Committee determined the size of the long-term incentive awards based on a percentage of each NEO's base salary, which percentage was subject to the applicable maximums used by the Committee, and awarded

shares of restricted stock that had a fair market value on the date of grant that approximated such amount. The fair market value of the restricted stock award granted to Mr. Engquist was \$326,251, or approximately 45% of his base salary (the maximum allowable grant was 47.5%). The fair market value of the restricted stock award granted to Ms. Magee was \$102,005, or approximately 30% of her base salary (the maximum allowable grant was 30% of base salary). The fair market value of the restricted stock award granted to Mr. Barber was \$116,997, or approximately 30% of his base salary (the maximum allowable grant was 30% of base salary). The fair market value of the restricted stock award granted to Mr. Jones was \$30,000, or approximately 15% of his base salary (the maximum allowable grant was 19% of base salary). The fair market value of the restricted stock award granted to Mr. Fox was \$26,255, or approximately 15% of his base salary (the maximum allowable grant was 19% of base salary).

Each of these awards vests in equal annual installments on the first, second and third anniversaries of the date of grant, conditioned on the executive's continued employment with the Company on the applicable vesting date. The Committee believes that this vesting schedule serves to motivate and retain the recipients, providing continuing benefits to the Company beyond those achieved in the year of grant. Each of the awards granted to Messrs. Engquist and Barber and Ms. Magee will also vest in full upon a change in control of the Company, as described in more detail below in the section entitled "Potential Payments Upon Termination or Change in Control." Under the terms of these awards, in the event that an NEO's employment with the Company is terminated for any reason, such NEO will forfeit all of his or her unvested shares of restricted stock. In addition, in the event that an NEO's employment with the Company is terminated for cause, such NEO will forfeit all of his or her vested and unvested shares of restricted stock.

The Company has no formal program, plan or practice to time option grants to its executives in coordination with the release of material non-public information.

Stock Ownership/Retention Guidelines. The Company does not require its NEOs to maintain a minimum ownership interest in the Company.

Other Compensation and Perquisite Benefits

In addition to the principal categories of compensation described above, the NEOs are eligible to participate in the Company's broad-based health and welfare benefit plans on the same terms and conditions as are available to all employees generally, including medical, dental, disability and life insurance. The Company also sponsors a 401(k) plan. The 401(k) plan is a tax-qualified retirement savings plan pursuant to which all employees, including the NEOs, are able to contribute to the 401(k) plan up to the limit prescribed by the Internal Revenue Code of 1986, as amended (the "Code"), on a before-tax basis. The Company makes a matching contribution of 50% of the first 4% of pay contributed by the employee to the 401(k) plan. Annual salary subject to the Company match is capped at a maximum amount prescribed by the IRS each year. All contributions made by a participant vest immediately and matching contributions made by the Company vest over the employee's first five years of eligible service, in annual increments of 25% beginning after the employee has completed two years of eligible service. These benefits are not tied to any individual or corporate performance objectives and are intended to be part of an overall competitive compensation program.

The NEOs are not generally entitled to benefits that are not otherwise available to all of our employees. In this regard it should be noted that the Company does not provide pension arrangements (other than the 401(k) Plan), post-retirement health coverage or similar benefits for its executives. However, the NEOs are entitled to long-term disability benefits, annual automobile allowances and other automobile benefits, such as fuel costs, which are noted in the "All Other Compensation" column in the Summary Compensation Table shown on page 29 below. Mr. Engquist does not receive an annual automobile allowance. Instead, Mr. Engquist is given use of an automobile which the Company purchased in 2010. The Company also provides Mr. Engquist with certain automobile benefits, such as fuel and maintenance costs, in connection with his use of this automobile. The Company also pays club membership dues for Messrs. Engquist and Fox. The Company and the Committee

believe that the benefits described above are consistent with the goal of attracting and retaining superior executive talent. No NEO is entitled to be “grossed up” by the Company in connection with taxes incurred by the NEO in connection with the receipt of these perquisites.

Tax and Accounting Implications

Deductibility of Certain Compensation

Section 162(m) of the Code limits the deductions that may be claimed by a public company for compensation paid to certain individuals to \$1,000,000 except to the extent that any excess compensation is “performance-based compensation.” None of the compensation paid to the NEOs for 2011 was considered performance-based under Section 162(m) and therefore, all such compensation is subject to the \$1,000,000 limit. The Committee intends to maintain flexibility to pay compensation that is not entirely deductible when the best interests of the Company make that advisable. In approving the amount and form of compensation for the NEOs, the Committee will continue to consider all elements of the cost to the Company of providing such compensation, including the potential impact of Section 162(m).

Section 409A

Section 409A of the Code imposes a 20% additional tax and interest on the recipient of “nonqualified deferred compensation” that fails to satisfy the requirements of the statute with respect to the timing of deferral elections, the timing of payments and certain other matters. Accordingly, as a general matter, the Company attempts to structure its compensation and benefit plans and arrangements for all of its employees, including the NEOs, so that they are either exempt from, or satisfy the requirements of, Section 409A. No NEO is entitled to be “grossed up” by the Company for any additional tax or interest imposed on the executive by Section 409A as a result of any compensation that is not exempt from and does not satisfy the requirements of Section 409A.

Section 280G

Section 280G of the Code imposes certain penalties on “excess parachute payments” made to certain executives and high-level employees in connection with a change in control. Stock options or restricted stock awards that are accelerated upon the occurrence of a change in control of the Company may give rise, in whole or in part, to “excess parachute payments” within the meaning of Section 280G. The Company is not permitted to take a deduction for any “excess parachute payments” and Section 4999 of the Code imposes on the recipients a 20% excise tax on such payments. As described in more detail below in the section entitled “Potential Payments Upon Termination or Change in Control,” awards under the Incentive Plan to the NEOs will vest upon a change in control of the Company and, therefore, may give rise, in whole or in part, to an “excess parachute payment.” No NEO is entitled to be “grossed up” by the Company for any excise tax incurred by the NEO as a result of an “excess parachute payment.”

Accounting Implications

The Committee considers the potential accounting impact in connection with equity compensation matters; however, these considerations do not significantly affect decisions on grants of equity compensation.

COMPENSATION RISK ASSESSMENT

The Committee has determined that there are no risks arising from the Company’s compensation policies and practices for its employees that are reasonably likely to have a material adverse effect on its business or operations.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

None of the Company’s executives serve as a member of the board of directors or compensation committee of an entity that has an executive officer serving as a member of the Company’s Compensation Committee. None of the Company’s executives serve as a member of the compensation committee of an entity that has an executive officer serving as a member of the Company’s Board of Directors. Messrs. Arnold and Karlson served on the Compensation Committee during all of the last completed fiscal year of the Company and Messrs. Edsell and Galligan served on the Compensation Committee following their election to the Board in May 2011. No member of the Compensation Committee is a former or current executive officer or employee of the Company or any of its subsidiaries.

Narrative Description Regarding Nonqualified Deferred Compensation

The amounts in the table above represent the portion of each NEO's bonus that was deferred under our bonus plan (including interest earned thereon). Deferred amounts are paid annually over two years, conditioned on the executive's continued employment with the Company on the payment date, in equal 50% installments beginning in the second year following the year in which the bonus was earned. The deferred portion of the bonus earns interest at the Prime interest rate in effect at January 1st of each year in which such amount is deferred, and interest earned is paid at the time of the respective payments of the deferred amounts.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

Payments Upon Termination of Employment. None of our NEOs are, or were at any time during the 2011 fiscal year, party to an employment agreement, severance agreement or any other type of agreement which provides benefits upon a termination of employment.

Payments Upon Change in Control. Each restricted stock award granted under the Incentive Plan to our NEOs provides for immediate vesting of all unvested shares of restricted stock in the event of a "change in control." If a "change in control" occurred on December 31, 2011, Messrs. Engquist, Barber, Jones and Fox and Ms. Magee would have vested in 58,507, 16,608, 5,671, 5,013 and 14,435 shares of restricted stock, respectively. Based on the closing price of our common stock on December 31, 2011 (\$13.42), the value of such shares held by Messrs. Engquist, Barber, Jones and Fox and Ms. Magee would have been \$785,164, \$222,879, \$76,105, \$67,274 and \$193,718, respectively.

Generally, a "change in control" is defined under the Incentive Plan as:

- The acquisition of 35% or more of the Company's voting securities;
- A change in the composition of a majority of the Board of Directors;
- A merger or consolidation where the Company's stockholders immediately before the merger or consolidation own 70% or less of the voting power of the surviving corporation immediately after the merger or consolidation;
- A complete liquidation or dissolution of the Company, or a sale of substantially all of its assets; or
- A share exchange in which the stockholders of the Company immediately before such exchange own 70% or less of the voting power of the corporation resulting from such exchange.

ITEM 3 — ADVISORY VOTE ON EXECUTIVE COMPENSATION

Background

Pursuant to Section 14A of the Exchange Act, we are providing Company stockholders with the opportunity to vote on a non-binding, advisory resolution to approve the compensation of our NEOs, which is described in the section titled “Compensation Discussion and Analysis” and in the related compensation tables and narrative discussion in this Proxy Statement. This vote is not intended to address any specific element of compensation; rather, the vote relates to the compensation of our NEOs, as described in this Proxy Statement in accordance with the rules of the SEC. As described more fully in this Proxy Statement, including in the Compensation Discussion and Analysis and the related tables and narrative discussion, our compensation program is designed to provide incentives to our executives for the Company’s achievement of financial objectives. In addition, our program is designed to align the interests of executives with the interests of our stockholders, provide long-term incentives and set compensation at levels sufficiently competitive to attract and retain high quality executives and to motivate them to contribute to our success.

Vote Required; Board Recommendation

If a quorum is present, the non-binding advisory approval of the executive compensation described in this Proxy Statement requires the affirmative vote of a majority of shares present, in person or by Proxy and entitled to vote at the Annual Meeting. Shares voted in person or represented by Proxy which are not voted for approval of our executive compensation (by voting no or abstaining) will have the effect of voting against this proposal. Broker non-votes will not count toward the determination of whether this proposal is approved and will have no impact on the vote. In the absence of instructions to the contrary, shares of Common Stock represented by properly executed Proxies will be voted for approval of our executive compensation, as disclosed in this Proxy Statement. Because this stockholder vote is advisory, it will not be binding on the Company or the Board of Directors. Although the vote is non-binding, the Compensation Committee and Board expect to take into account the outcome of the vote when considering future executive compensation decisions to the extent they can determine the cause or causes of any significant negative voting results.

Based on the foregoing, the Board is requesting that stockholders vote on the following resolution:

RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.

The Board of Directors recommends that stockholders vote to approve the compensation of the Company’s Named Executive Officers by voting FOR this resolution.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Consulting Agreement

On April 30, 2007, the Company entered into a Consulting Agreement with Gary W. Bagley, Chairman of the Board of the Company (the “Agreement”). This Agreement supersedes the Consulting and Noncompetition Agreement, dated July 31, 2004, between the Company and Mr. Bagley.

This Agreement provides for, among other things:

- an initial term of five years;
- a consulting fee of \$167,000 per year together with a cost-of-living increase of 4% compounded annually, plus reimbursement of all reasonable and actual out-of-pocket expenses;
- welfare benefits, including medical, dental, life and disability insurance; and

[Table of Contents](#)

- the protection of confidential information obtained during employment.

We paid \$187,852 to Mr. Bagley in the year ended December 31, 2011 related to this consulting agreement between Mr. Bagley and the Company.

Registration Rights Agreement

In connection with certain transactions involving the Company and its predecessors (the “Prior Transactions”), a predecessor company (“H&E Holdings”) entered into a registration rights agreement with affiliates of Bruckmann, Rosser, Sherrill & Co., Inc. (“BRS”), certain members of management and certain other entities. In connection with our initial public offering in February 2006, the parties amended and restated the registration rights agreement to provide that the registration rights agreement thereafter applies to our common stock held by the parties. The restated agreement provides that the registration rights that previously applied to units of H&E Holdings thereafter apply to the common stock held by the parties thereto.

Investor Rights Agreement

In connection with the Prior Transactions, H&E Holdings entered into an investor rights agreement with affiliates of BRS, Credit Suisse First Boston Corporation and other members of H&E Holdings (the “Investors”). Certain provisions of the investor rights agreement, including the provisions concerning tag-along rights, consent to a sale of H&E Holdings, and the grant of preemptive rights terminated upon the consummation of our initial public offering in February 2006. In connection with our initial public offering in February 2006, the parties amended and restated the investor rights agreement to also terminate the non-voting observer rights of one of the holders of our senior subordinated notes and to provide that the investor rights agreement thereafter applies to our common stock held by the parties. Pursuant to the terms of the restated investor rights agreement, subject to certain conditions, Investors holding 33% or more of the equity interests issued to the Investors on the date of the investor rights agreement (or successor securities) have the right on any two occasions to require us to register all or part of such equity interests under the Securities Act of 1933, as amended (the “Securities Act”), at our expense. In addition, the Investors are entitled to request the inclusion of any equity interests subject to the investor rights agreement in any registration statement at our expense whenever we propose to register any of our equity interests under the Securities Act. In connection with all such registrations, we agreed to indemnify the Investors against certain liabilities, including liabilities under the Securities Act.

Senior Unsecured Notes

On August 4, 2006, the Company issued \$250 million aggregate principal amount of 8.375% senior unsecured notes due 2016 (the “H&E Bonds”). The H&E Bonds are registered under the Securities Act and are publicly traded. As of December 31, 2011, the following directors held the following face value amounts of H&E Bonds Lawrence C. Karlson (\$25,000); John T. Sawyer (\$88,000).

Additionally, Pepperidge Trust L.P., for which Mr. Bruckmann is a limited partner, held \$1,780,000 face value of H&E Bonds as of December 31, 2011.

Related Party Transactions

The Company has a policy that the Audit Committee review any new transaction in which the Company and its directors, executive officers or their immediate family members are participants to determine whether a related person has a direct or indirect material interest. The Audit Committee is responsible for reviewing and, if appropriate, approving or ratifying any such related party transaction. This policy has been communicated orally by the Board.

In determining whether to approve, disapprove or ratify a related party transaction, the Audit Committee will take into account, among other factors it deems appropriate, (1) whether the transaction is on terms no less

favorable to the Company than terms that would otherwise be generally available to the Company if the transaction was entered into under the same or similar circumstances with a party unaffiliated with the Company and (2) the extent of the interest of the related party in the transaction.

Below are the related party transactions which occurred or were in effect during the year ended December 31, 2011. All such related party transactions have been approved or ratified by the Company's Audit Committee or are pursuant to contractual arrangements entered into prior to the Company's initial public offering in February 2006.

Engquist, our Chief Executive Officer and President, and his sister, Kristan Engquist Dunne, each have a 29.2% beneficial ownership interest in a joint venture, from which we leased our Baton Rouge, Louisiana and Kenner, Louisiana branch facilities. On January 11, 2011, the Company purchased the Kenner, Louisiana branch facility from the joint venture for approximately \$1.6 million.

In 2011, commissions paid to Perkins-McKenzie on our behalf as insurance broker totaled \$534,495.

We purchase products and services from, and sell products and services to, B-C Equipment Sales, Inc., in which Mr. Engquist has a 50% ownership interest. For the year ended December 31, 2011, our purchases totaled \$187,882 and our sales totaled \$19,778.
